

## Mark Thoburn

**Title of the lecture:**

Lessons learnt from treating combat amputees in Denmark and UK. The CPO and Physio perspective

**Employer/affiliation:**

Blatchford / Ministry of Defence

**Brief introduction about the presentation:**

The prosthetic rehabilitation of the combat amputee, as part of an Interdisciplinary team.

**Brief presentation of the speaker:**

Mark Thoburn qualified in prosthetics and Orthotics from Salford University in 2005. Since 2008 he has been working for Blatchford as a prosthetist at the Defence Medical Rehabilitation Centre in the UK, providing prosthetic rehabilitation to UK military personnel. He has a particular interest in transfemoral osseo integration and also the role of the Interdisciplinary Team in the rehabilitation of the conflict injured amputee.
